HUE HERITAGE

ACRYLIC LAMINATE

ARISTOCRAT
ARTISTRY

Crafting premium laminates with passion and precision, we blend texture, design, and durability for timeless, expressive interior experiences.

inara

Our acrylic laminates showcase a perfect blend of intricate textures and a high-gloss finish, elevating the elegance of any interior. Each sheet is designed to highlight fine details, creating a lifelike wood, stone, or abstract pattern that feels both sophisticated and natural.

The superior gloss not only enhances visual appeal but also ensures durability, scratch resistance, and easy maintenance. With acrylic laminates, your surfaces reflect premium quality and timeless beauty, transforming everyday spaces into luxurious, vibrant environments.

REFLECT YOUR SPACE

Inspired by royal artistry, our laminates embody timeless elegance, intricate detailing, and luxurious textures that redefine interiors with a regal aura.

Driven by innovation and a passion for detail, Kalaa Decor is committed to delivering laminates that not only perform but inspire. Every sheet we craft reflects our focus on aesthetics, quality, and long-lasting value, making us a trusted choice for architects, designers, and dream spaces across the country.

With a design philosophy rooted in creativity and function, we continue to push the boundaries of surface design. Whether you're building bold statements or subtle luxury, Kalaa Decor is your surface partner, offering curated collections that elevate every space with confidence and style.

Crafting premium laminates with passion and precision, we blend texture, design, and durability for timeless, expressive interior experiences.

FROZEN

Frozen Elegance, Eternal Calm

Inspired by the serene beauty of ice glaciers, this acrylic laminate captures the essence of purity and tranquility in every layer. Its cool, translucent tone mirrors the pristine stillness of frozen landscapes, bringing a refreshing sense of calm and sophistication to interiors. Perfect for modern spaces, the Ice Glacier finish reflects light gracefully, creating an atmosphere that feels both minimal and luxurious where nature's quiet strength meets refined design.

FLOW

of Serenity

Inspired by the gentle rhythm of flowing rivers, this acrylic laminate captures the calmness and grace of nature's purest form. Its smooth texture and fluid patterns mirror the serene movement of water, creating an atmosphere of balance and tranquility. Perfect for modern spaces that embrace natural harmony, it brings a refreshing sense of depth and timeless beauty where design flows effortlessly, just like a river.

WILD ESSENCE

Untamed Grace

Inspired by the raw beauty of wildlife, this acrylic laminate embodies the spirit of the wild bold, free, and instinctively elegant. Its natural tones and organic textures mirror the wilderness, bringing a sense of adventure and authenticity into interior spaces. Just like nature's finest creatures, it balances strength with sophistication, making every surface a statement of power, freedom, and untamed artistry.

SPIRIT

of the Rider's Home

Inspired by the fearless soul of a horse rider, this acrylic laminate reflects courage, motion, and timeless style. Its bold tone and sleek texture capture the energy of freedom and the elegance of control—just like a rider mastering every path. Perfect for interiors that blend strength with sophistication, the Rider-inspired design turns every space into a symbol of passion, stability, and unstoppable spirit.

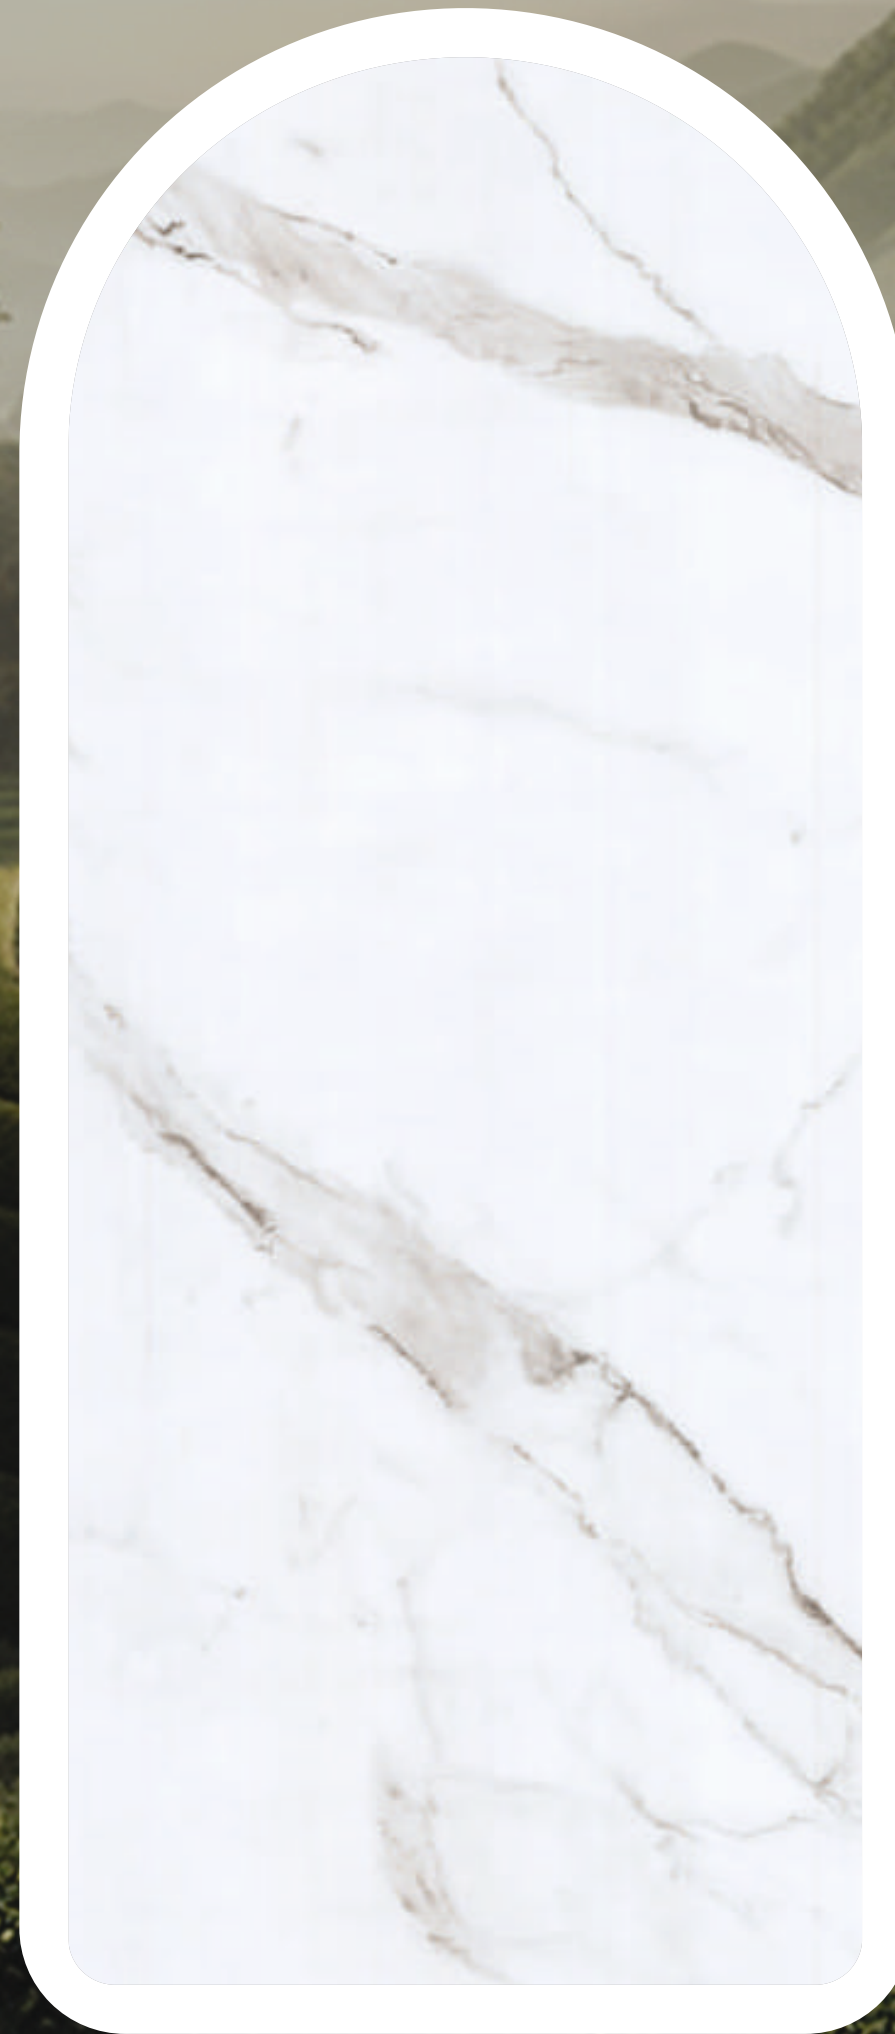

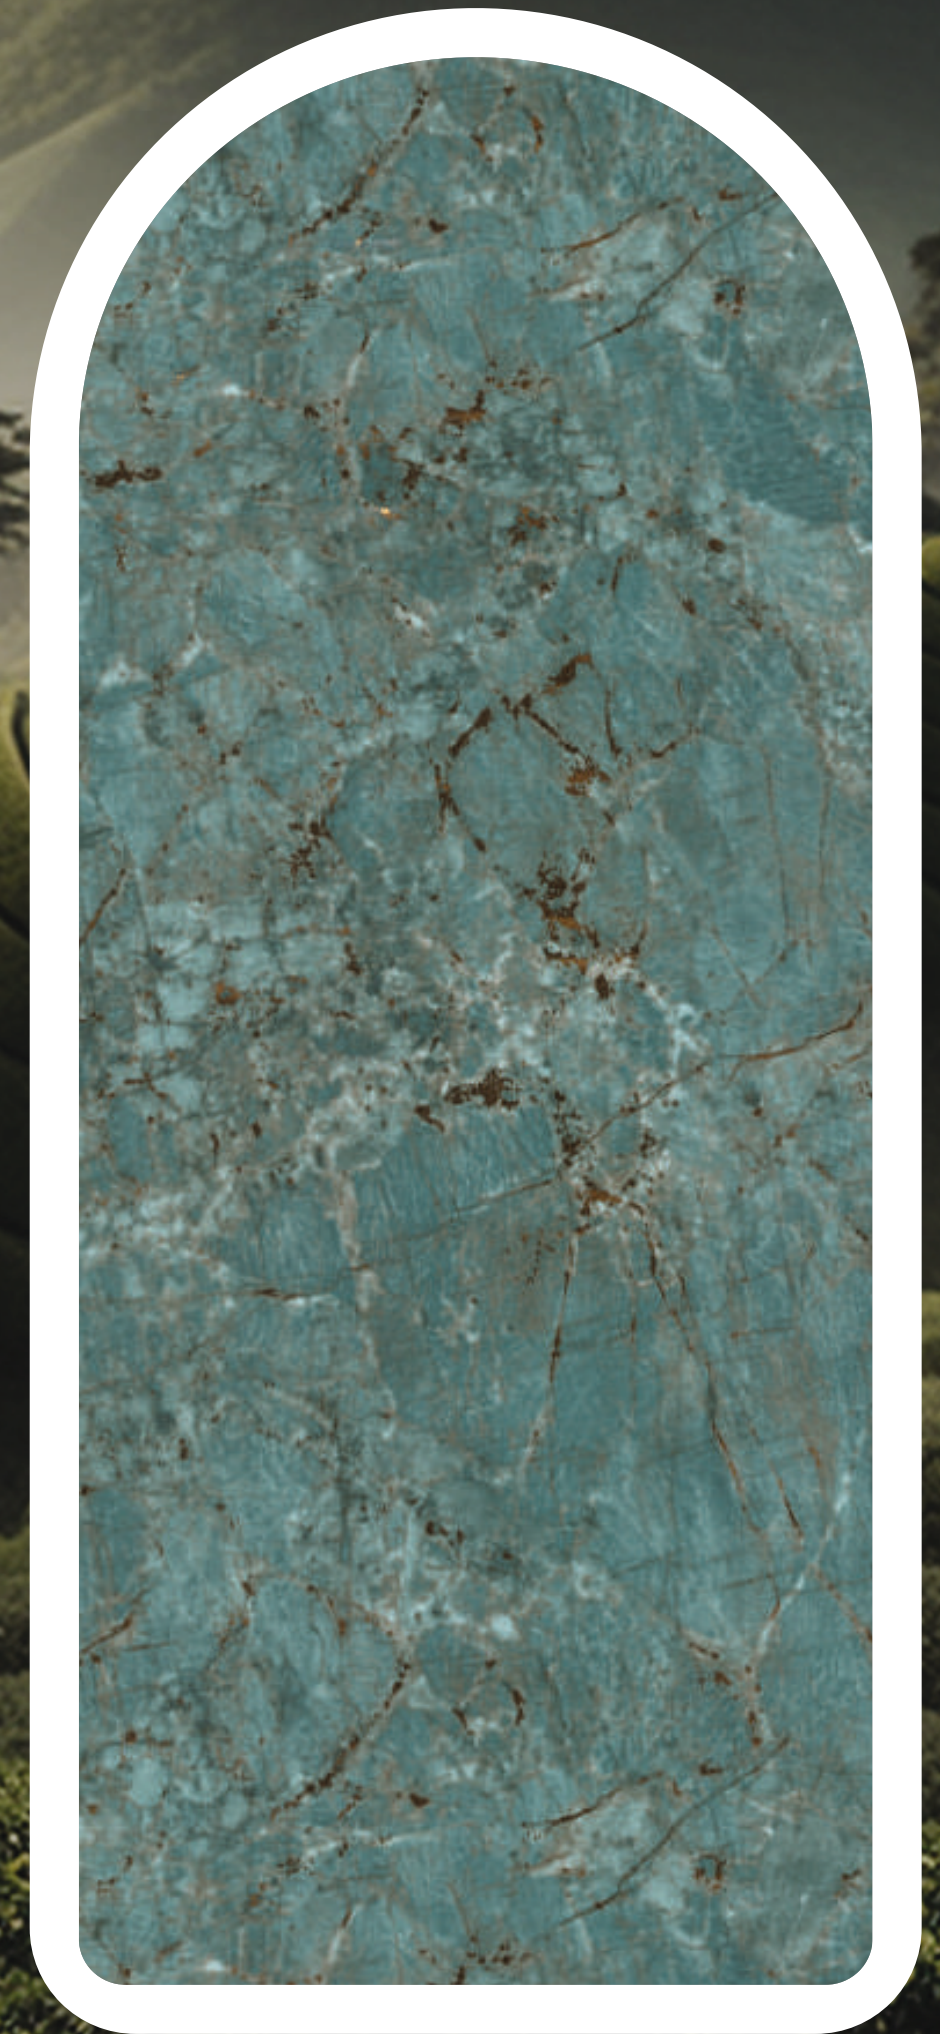

HARMONY

Rooted in Nature's Harmony

Inspired by the essence of farming life, this acrylic laminate celebrates the purity, patience, and connection to nature that the land teaches us. Its earthy tone and organic texture reflect the calm rhythm of cultivated fields and the warmth of rural simplicity. Designed for spaces that honor authenticity and natural balance, this finish brings the grounded beauty of the farmland into modern interiors—where every surface tells a story of growth and harmony.

ARTISTRY

in Every Layer

This acrylic laminate draws inspiration from the elegance of fine artwork, blending creativity and craftsmanship into every surface. Its refined textures and graceful tones evoke the fluid strokes of an artist's brush, creating a masterpiece that elevates modern interiors. More than just a finish, it's a canvas of expression where design meets imagination, and every detail reflects the beauty of art in living form.

Facts

Acrylic are bonded in extremely humid conditions

Use of water base synthetic resin adhesive any other the PEVA (Polyethylene Vinyl Acetate Co-polymer)

When substrate loses moisture after installation

Debonding in certain areas because of uneven substrate surface

Insufficient or lack of pressing during the bonding period of laminate

Use of extremely large acrylic/PVC laminate sheets (more than 8 ft x 2 ft long)

To avoid de lamination / air bubbles in between ply and laminate the above steps should be taken care of.
Bonding of acrylic sheets shouldn't be completed under high humidity

Reasons for air bubble formations on Acrylic Sheets

Limited Warranty

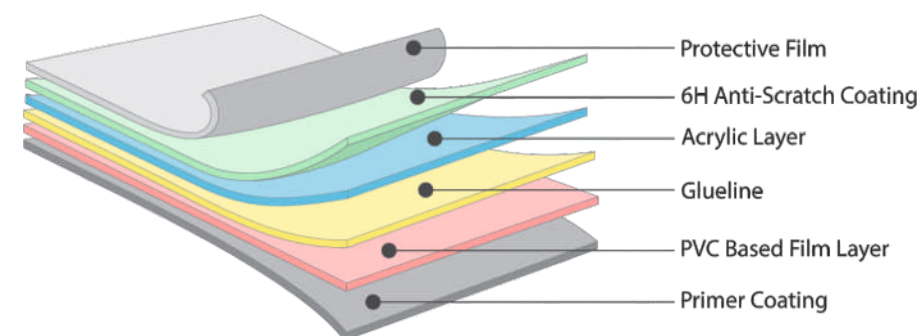

Our laminates are crafted with both aesthetics and durability in mind. When used as directed and with proper care, they are designed to maintain their beauty and functionality for years to Our products are crafted to be free of defects and, when handled and installed correctly, are designed to meet or exceed manufacturing specifications. We strongly recommend that all products be thoroughly inspected prior to installation. Our warranty does not cover defects or non-compliance arising from improper use, handling, or any other causes, including but not limited to:

- Improper handling, transportation, or storage
- Incorrect installation
- Misuse or unintended use of the products
- Inadequate maintenance
- Exposure to extreme temperatures
- Unauthorized modifications
- Use in outdoor environments
- There will be no guarantee or exchange under any circumstances
- color variations in products from different batches are possible
- We recommend using products from same batch to avoid color variations
- This brochure is for presentation purpose only. Actual colors may differ.

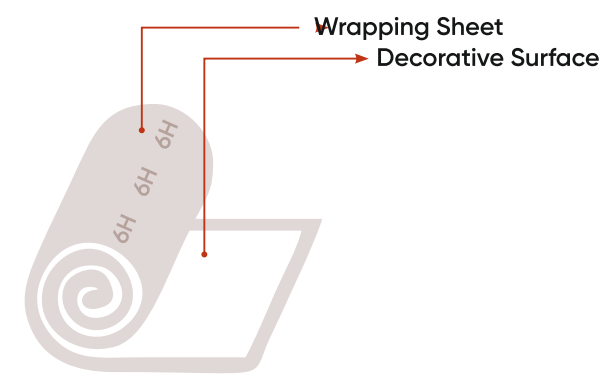

- Exposure to direct sunlight can gravely affect the laminate's appearance
- Use of inferior or sub-standard dipped plywood or dipped lipping patti, which may chemically react the adhesive.
- Prolonged exposure to high temperature (above 30° C-35° C)
- If hot cookware or utensils are directly placed on the laminate
- To avoid the inside cracks & stretch line Do not store acrylic sheet in roll form.
